Seasonal Match Play

Dave Fairweather Trophy

Format: This is an open format singles handicap Match Play competition. The event is open to a maximum of 48 players. Byes, if needed will be given in the 1st round to get 24 players for the 2nd round. Official handicaps on the day(s) for each match (see the Fixtures Page) will apply.

Five regular Thursdays have been set aside for the matches. We encourage players to use these dates but games may be played by mutual arrangements on any course on any day with the exception of a regular club Thursday. Each match in each round must be played by the date of the next round, otherwise the players will be disqualified. If one player does not show-up he will be disqualified and the other player will move on. The coordinator must be notified of the results of each match.

Tee Location: Use of all locations is allowable. Once tee location is chosen, it must be used for all holes.

Ties: Putt off in all matches, except for the final, where extra holes will be played until a winner is determined.

Award: Trophy for the winner & prize awards to the winner & runner-up.

Dave Fairweather provided outstanding leadership throughout the years & worked tirelessly to support the development of our Club. His staunch belief that Match Play is the measure of golfing excellence makes the presentation of the trophy in his name a most appropriate & prestigious award.
