

Red, White & Blue Played in Foursomes

June 25 & August 27, 2020

Format:

Prior to the first hole, each player in the foursome must choose 6 red tees, 6 white tees & 6 blue tees to tee off from.

These choices must be entered on their scorecard before the round starts and cannot be changed once the round starts.

Players will then exchange scorecards with another member of the group.

Players will have their gross score recorded for each hole. At the end of the round the player will total his gross score and then deduct his current posted handicap.

This NET score becomes his score for the round.

Award: Prize awards to winners plus 2nd & 3rd place runners-up.
