

# Red Tee Shamble

## 4-Man Teams

Doug Blackman  
2020

**March 26, 2020**

### Format:

The golf software will create 4-man teams with team total handicaps as equal as possible. After teeing off on each hole, one person is chosen to play his own ball for the entire hole, playing his own ball on that hole until he putts out. Each of the 4 players must play a minimum of 4 holes on their own.

The remaining 3 players choose one of their drives and continue as a 3-man scramble, playing from the best next ball position until the ball is holed. Each of the 4 players must use at least 4 tee shots for the scramble part of the tournament. The player playing his own ball records his NET SCORE on the card. The shamble players record the GROSS SCORE for the hole on the card.

The TEAM SCORE for the round is the sum of the individual net scores and the shamble/scramble scores for each hole.

**Ties:** Will be broken per club policy.

**Tee Location:** All players must play from the **Red tees**.

**Winner:** The team with the BEST TEAM score.

**Awards:** Prizes awarded to the winners and 2<sup>nd</sup> & 3<sup>rd</sup> place runners up.

**Note:** This round will not be used for handicap purposes.
