## 4-Man Teams

**September 17, 2020**

### Format:

The Vice-Captain - Draw will use our software to divide the field into four equal flights. Then teams will be formed using a player from each flight. Each team will have approximately the same total handicap.

On each hole, the best drive is selected (not necessarily the longest) and all players hit their second shot from within 12 inches of the chosen drive.

Repeat this procedure for the 3rd shot etc. up to the green. Use the same procedure on the green, until one person sinks the putt.

The team is required to use a **minimum** of 4 tee shots per player (5 for a 3 man team).

The team captain has the final decision on which ball to play.

**Tee Location:** Red Tees Only. (New for 2019.)

**Award:** Prize money for the winning and 2<sup>nd</sup> & 3<sup>rd</sup> place runner up teams.
