### April 20, 2023

**Format:** Teams chosen to balance handicaps.

**Front 9 Best Ball** with normal handicaps.

Each golfer plays their own ball. A team score for a given hole is that of the lower net scoring team member.

**Back 9 Two man Modified Scramble:**

Both players hit tee shots on all holes. One ball position is chosen & each player plays a ball from that spot. This is repeated until a ball is holed. Additionally, the team is required to use a **minimum of 4 drives** / tee shots per player.

**Tees:** Use of **all** locations is allowable but once chosen, it must be used for all 18 holes.
